

T.R.A.P. Girlz 2019 Back 2 School Fashion Show

Hairstylist & Make-up

Thank you for your interest in being a part of our First Annual Fashion Show. This event will be more than a fashion show, but an opportunity for everyone involved to network, grow their brand and help us expand across the Tyler area. With look forward to each of you providing the girls with amazing hairstyles, and make-up. Below is a list of items needed by August 1, 2019, to begin the process of making you an official hairstylist or make-up artist for the T.R.A.P. Girlz 2019 Back 2 School Fashion Show!

There will be a total of 20 participants in the fashion show. The participants will be placed in teams of 10. There will be a total of two stylists on staff for the event. You will be responsible for the hairstyle or makeup for everyone on your team. For hairstylist, you will be providing everyday hairstyles for models. If a model is requesting any additional services such as extensions, braids, twist etc. please provide an upcharge listing by August 1, 2019.

As previously stated, each stylist will have a total of ten models to work with. Therefore, I am requesting (if possible) you will provide a flat rate for your services or a base price per person before August 1, 2019.

If there is an increase in the number of participants, please provide the maximum number of clients you can style or makeup within a three-hour window. Currently, there are twenty participants, please let me know if you can meet these criteria with the current number of participants.

Makeup artist! You will be working with young women between the ages of 5-18. Therefore, I am requesting that you keep the makeup as simple as possible; nothing too extreme or dramatic.

All artists will work as a team for this event, and I am requesting that we all meet before the day of the show. You must also, keep in mind communication is key when working as a team! Therefore, I am requesting that you complete the attached document, along with the information requested in the above paragraphs to begin the process.

Thank you again,

Angela R. Speech
Founder, T.R.A.P. Girlz

Data Form
